## **LAUSD** Division of Adult and Career Education

## Career Technical Education (CTE) Course Outline

| Course Title:    | Auto Tech: Smog Check Inspector Training Exam Preparation |
|------------------|---|
| Course Number:   | 79-60-73  |
| Date:            | July 2024   |
| Industry Sector: | Transportation  |
| Pathway:         | Systems Diagnostics and Service                           |
| CBEDS Title:     | Automotive Specialty, Other Combinations                  |
| CBEDS Code:      | 5688  |
| Credits:         | 2.5   |

| Hours: | Total |
|--------|-------|
|        | 40    |

## **Course Description:**

This competency-based course is designed to master the skills and knowledge needed to pass the Smog Check Inspector License Exam. Instruction includes an introduction, safety, service manuals, and computer-based information systems, smog check inspector preparation exam, test-taking strategies, employability skills and resume preparation review, and entrepreneurial skills. The competencies in this course are aligned with the California High School Academic Content Standards and the California Career Technical Education Model Curriculum Standards.

| Prerequisites:          | Enrollment requires successful completion of the Auto Tech:<br>Smog Check Inspector Training Level 1 (79-90-65) and Level 2<br>(79-90-67) course.                             |  |  |
|-------------------------|---|--|--|
| NOTE:                   | For Perkins purposes, this course has been designated as a <b>capstone</b> course.<br>This course <b>can</b> be repeated once a student receives a Certificate of Completion. |  |  |
| A-G Approval            | N/A   |  |  |
| Methods of Instruction: | Lecture and discussion, individualized instruction, lab and shop work using early and late model year vehicles.   |  |  |
| Student Evaluation:     | Summative: End of section assessments   |  |  |
| Industry Certification: | N/A   |  |  |
| Recommended Texts:      | Bureau of Automotive Repair. <u>Smog Check Manual: Basic Clean</u><br><u>Air Car Course Workbook</u> . Bureau of Automotive Repair, 2008                                      |  |  |
